Ask Yourself:

- Does your current recruiting process focus on weeding out unqualified candidates, then **HOPE** a few good candidates remain?
- Have you **HOPED** you made the right hire only to be disappointed by mediocre or poor performance?
- Are your **projects behind schedule** and your **goals unrealized** because critical positions are unfilled?

If you answer

YES!

**Dynamic Recruiting
Solutions**
can improve your
Recruiting Results

Replace **HOPE** with our Systematic Approach to Hiring the **RIGHT FIT** and Making a **POSITIVE IMPACT**.

The **Dynamic Recruiting Solutions Systematic Approach** has been formulated from decades of experience with recruiting, hiring, managing and when necessary, terminating employees.

WHY CHOOSE DYNAMIC RECRUITING SOLUTIONS?

- **YOUR TIME IS VALUABLE**
You will only see well-qualified candidates from us. Each profile will include the candidate's strengths, areas you should explore and why we believe they are a good fit for your position.
- **UNFILLED POSITIONS ARE COSTLY**
We actively search and attract high achieving passive candidates who generally don't respond to job posts.
- **EMPLOYEES ARE YOUR MOST VALUABLE ASSET**
Beat your competition by making better hires.
- **INTERNATIONALLY PROVEN ANALYTICS**
We utilize analytical tools to better determine which candidates are the right fit for the job.

PROVEN 3-PILLAR PROCESS RECRUITING SYSTEM

- 1 **DETERMINE PERFORMANCE OBJECTIVES FOR YOUR OPEN POSITION**
Consult with Owners, Hiring Managers and Human Resource Professionals to assess their needs, challenges and culture to determine which candidate profile is the right fit.
- 2 **ATTRACT TOP PERFORMERS**
Find and secure top candidates who specifically fit your job opening, complement your culture and positively impact your bottom line.
- 3 **PERFORM AN OBJECTIVE SCREENING PROCESS**
Deliver only top candidates based on analytics, strengths, weaknesses and areas to explore, including candidate comparisons.
